Transform your oral health with a Waterpik™ water flosser

Even with regular brushing, harmful plaque bacteria can build up in your mouth, leading to problems like gingivitis and bad breath. That's why we recommend a WATERPIK water flosser—the easy and effective way to floss. **Whether you're looking for cordless convenience or countertop performance, there's a WATERPIK water flosser for you.**

CORDLESS MODELS

Great for travellers, vacationers, or those on the go, WATERPIK cordless water flossers fit easily into your bag for convenient oral care wherever you are.

- ✓ Lightweight, compact, and portable
- ✓ Ergonomic hand grip for easy-to-hold control
- ✓ Shower-safe options fit easily into your daily routine

COUNTERTOP MODELS

Designed for the true oral health enthusiast, WATERPIK countertop water flossers come with a suite of powerful features for a comprehensive oral care experience at home.

- ✓ Variety of adjustable water pressure settings
- ✓ A range of included tips for those with dental work or other special oral health needs
- ✓ Large reservoir for longer use vs. cordless models
